

# **Dryden Research Library Newsletter "January 2001"**

**Dryden Research Library** is located in Bldg. 4800 Room 2412. Contact us at Ext. 3702 or 3127. Check out our home page: <http://www.dfrc.nasa.gov/nasa/Library/index.html>.

You can email Barbara Rogers or Cheryl Logan for any of your library needs. The library Newsletter is best viewed using Eudora 4.3.

## **HAPPY NEW YEAR**

### **Just a Reminder!**

Anyone that may have overdue books may renew their check-out via email, phone or coming in to the library. When you are finished with the books please return them to the library to allow others use of the books. Thank you!

### **For Your Information**

We are now receiving the Consumer Reports Magazine. If you would like to be added to the routing list please email Cheryl at [cheryl.logan@dfrc.nasa.gov](mailto:cheryl.logan@dfrc.nasa.gov) include your name, phone number, and mail stop.

**We now have in our library NASA Academy for Program and Project Leadership books (APPL) that are available as resources to aid any persons interested in attending the APPL programs.**

**The NASA Scientific and Technical Information (STI) Program Office has plans to release faster and newly modified ASAP system on January 16th. ASAP is a bibliography database of report citations and abstracts. It is very useful for doing searches for reports. If you haven't signed up yet, you can sign up on line at <http://www.sti.nasa.gov/ASAP>**
